

A Prayer of Vision

Father, as a leader and an influencer of people, give me an understanding heart so I can lead them well, and help me to know the difference between right and wrong. I desperately need Your wisdom to cast the vision You've given me for this organization. As I seek You, give me Your vision for the people and organization I lead; help me to write it, to present it, and to make it plain to everyone on my team. I will not be afraid to speak and I will not be silent about the vision You have given me for this organization.

As I lead, I will speak the Word of God and the vision of God to those over whom I have authority. I will conduct myself in such a way that others can imitate my faith, ethics, and integrity. I will be above reproach, faithful, temperate, self-controlled, respectable, hospitable, teachable, and able to instruct. I will do nothing out of selfish ambition or vain conceit; rather, in humility, I will value others above myself and consistently empower and lift them up to fulfill their purpose.

I will be approachable and caring in the way I relate with my coworkers. Like a good shepherd, I will pay attention to their condition and will be sensitive to their needs and preferences. Like my Creator, I will creatively and carefully lead the people He's entrusted to me in the way we should go so we can all be successful together.

Praise the Lord! Amen.
